

## We thank you!!!

~Richard Bagwell~

Even Through all these years rarely do students show appreciation.  
So now I would like to take the time  
To show you how much  
I care, with a few metaphors and a couple of Rhymes'  
This ceremony is meant to give praise and honor where it is due  
So I would like to start by first of all thanking you  
To Ms. Burton and Ms. Coles, the true reason for our success is because of  
you  
Making sure we were prepared for school  
Our 2<sup>nd</sup> set of mothers on campus  
It was kind of cool  
So thanks to the founder of Project Potential, everyone who made this  
possible for giving way to future doctors of every hospital  
You made our careers important no matter how big or little  
So with that said I would like to say  
Thank you for every thing from every one of us  
And have a nice day  
Richard Bagwell
